

## FFS Research Coordinator Holds Citation Indexing Workshop

Mr. Peyman Nouraey, the Research Coordinator of the Faculty of Foundation Studies conducted a workshop entitled "Citation Indexing: An Orientation Session". The workshop was held on March 17, 2016. Seventy-five lecturers participated in this session which aimed at reviewing journal citation indexing databases. In this regard, some of the world's most reputable databases such as ISI Thompson Reuters, Scopus, ISC, PubMed and many other databases were reviewed and discussed.
