## **FFS Research Coordinator Publishes a Paper in**

### ***Khazar Journal of Humanities and Social Sciences***

FFS Lecturer and Research Coordinator, Mr. Peyman Nouraey published a paper entitled “The Impact of Rhythm and Gender on Spelling Output of Iranian EFL Learners: A Cross-Sectional Study”. The paper was co-authored by Dr. Amin Karimnia, an Associate Professor at Islamic Azad University of Iran. It was published in Khazar Journal of Humanities and Social Sciences (KJHSS), Vol. 19, No. 2. KJHSS is published by Khazar University in The Republic of Azerbaijan and is indexed by ISI Thompson Reuters and many other well-known databases. This article tended to highlight the impact of gender and implementation of rhythmic methods on the spelling output of EFL learners.
