

GC Lecturers Present Papers in OSET

Notable lecturers of Gulf College demonstrate outstanding research ability in the recently held Omani Society for Educational Technology (OSET) Conference last 26th March, 2015 in Gulf College, Mabelah. Dr. Irene C. Taguinod of the FFS delivers her paper entitled: “An Analysis on the Green Computing Awareness and Practices at Gulf College OMAN: Basis for Policy Enhancement”, Dr. Rolou Lyn R. Maata of the FCS presented also her paper entitled: “An Empirical Analysis on Assistive Technologies Supporting Special Education Curriculum and Individualized Educational Programs (IEPs)”

Dean Prof. Dr. Taki Al Abduwani praised and appreciated the researchers conducted by the GC lecturers which will reach global critical acclaim. He always believes that more outstanding papers will grow from the academe’s intellectual community.
