

Manalo Spearheads Staff Research Awareness

Through the directive of Dean Dr. Taki Al Abduwani and Dr. Issa Al Bulushi, CEO and Chairman, Dr. Rosanna Manalo, Research Coordinator conducted research conference at F-2 last 19 March. During the confab, Dr. Rosanna brought up the instruction of the administration to maximize the lecturers' time to undergo important research activity. She presented the detailed process of how to understand and share research which could assist staff and students in their activities and give awareness programmes on methodology and proposals.

Accordingly, The Research Council (TRC) aims at enhancing research capacity in the Sultanate of Oman by allocating small to midsized research grants for short and mid-term projects. The open research grant further supports research recommendations with multi specializations in addition to proposals in new research that bring forward innovation and creativity. The programme welcomes research proposals on behalf of researchers from institutions affiliated with the research electronic submission system (TRESS).

On-going research studies and publication of Faculty of Foundation Studies:

- "Incorporating PTE and FCE in Gulf College" by Mr. Masood and Ms. Aisha.
- "An Analysis of the Spelling Errors and the Types of Errors among Semester 1 Students of Gulf College" by Dr. Rosanna, Dr. Romeo, Dr. Ester, Dr. Ruel and Ms. Cherubim.
- "The Computer Aided Language Learning to Improve the English Language Proficiency of the FFS Students" by Ms. Meena, Ms. Deny, Ms. Greeshma, Ms. Preethy and Ms. Samah.
- "An Analysis of the Learning Styles of Selected Students of Faculty of Foundation Studies (FFS) at Gulf College: Basis for English Language Teaching" by Dr. Maria Gregoria Concepcion, Dr. Rosanna Manalo, and Dr. Romeo Castillo.
