

**GC Lecturers Dr. Irene Taguinod and Dr.  
Salvacion Domingo Present a Paper in  
NSFIT2015**

Dr. Irene C. Taguinod from the Faculty of Foundation Studies and Dr. Salvacion Domingo from the Faculty of Computing Studies presented their paper entitled ***“Development of Web Academic Appeal Portal: A Knowledge Management System Approach”*** in the 1<sup>st</sup> National Symposium on Frontiers in Information Technology (NSFIT2015): Business Intelligence and Analytics. This symposium was held at the College of Applied Sciences on the 23<sup>rd</sup> and 24<sup>th</sup> of November 2015 in Rustaq. Their study is about the development of a

generic web portal for student appeal, wherein the students can lodge their appeal using the Net. This is a collaboration study between Higher College of Technology (HCT) represented by Dr. Mary Ann C. Paguio and the two lecturers from Gulf College, namely Dr. Taguinod and Dr. Domingo.
