

A Reflection Day for the participants of ***“Training the Entrepreneurs of the Small and Medium-Sized (SMEs) Industries in Oman”*** was held in Gulf College with Dr. Taki as the chief facilitator. He was assisted by Dr. Ines who encouraged the

entrepreneurs to get hold of the challenges that they are facing with, for them to analyze and conduct partnerships. They spoke with the managers of the four (4) Centres, namely: Research and Entrepreneurship headed by Dr. Agnes, Career Guidance and Alumni Affairs managed by Ms Faiza, Training and Professional Development under Dr. Ines, and Languages and Cultural Studies under Dr. Ivy.

More importantly, Mr. Hassan and Ms. Omeima did their roles to interpret the ideas for the participants with special needs. They were so thankful and overjoyed for the reflection session which for them is considered worthy to be applied in their chosen businesses.
